Inspirational Thoughts

I saw that angels of God were looking sorrowfully toward you. They had left your side and were turning mournfully away, while Satan and his angels were grinning in exultation over you. If you had yourself battled with your doubts and not encouraged the devil to tempt you, by talking out your unbelief and loving to dwell upon it, you would not have attracted the fallen angels about you in such numbers. But you chose to talk your darkness; you chose to dwell upon it; and the more you talk and dwell upon it, the darker and darker you grow. You are shutting out from you every ray of heaven's light; and a great gulf is coming between you and the only ones who can help you.
